Terms of Service:

- You are not allowed to use our service for illegal purposes.
- You are not allowed to share your account / license with anyone.
- You are not allowed to try to crash / overload our servers.
- You are not allowed to sell our free products.
- You agree that we are not responsible for any abuse / misuse of our service.
- You agree that you have the right to withdraw from your purchase within 15 days from the date you receive the product.
- You agree that your account will be suspended if you violate any of the rules set forth herein.
- You are not able to view the code / modify the product without prior permission from the developer.
- Before purchasing, be aware that you need the consent of someone at least 18 years old and of legal age in your country.

Privacy Policy:

When you interact with us through the Services, we may collect information about you as described below:

Information you provide: We collect information from you when you voluntarily provide it, for example, when you register on the site. Information collected may include, but is not limited to, username and e-mail address.

Data we collect automatically: When you interact with us, we receive and store certain information, such as your IP address. We may store this information in our databases. Plugins may collect necessary data, such as your hardware and software, in order to improve our services.

WHERE THE INFORMATION IS PROCESSED:
Our servers are hosted in United States. Regardless of your place of residence, you consent to the processing and transfer of information to United States.

CONTACT:
If you happen to **find a bug** or **need help**, contact us via e-mail at support@nickuc.com or through the Discord group (https://www.nickuc.com/discord).
